

WVLS Continuing Education Presents

Managing Your Digital Footprint without Falling Prey to Cyber-Sneakers

Library Designed Community Programs for Tweens, Teens (and their parents)

- *Online Sharing and Privacy*
- *Digital Citizenship and Social Media Safety*

DATE: Tuesday, September 20 from 9:00 AM to 3:00 PM CEUs: 4.5

LOCATION: WVLS Office, Marathon Co. Public Library, 300 1st Street, Wausau
Mileage reimbursement available to WVLS member libraries; carpooling encouraged!

REGISTER: [Online Here](#) or email Anne Hamland (ahamland@wvls.org) by September 15.

DESCRIPTION: Training for public and K-12 library staff interested in developing proactive local programming for youth ages 9-18 and parents on the topic of practicing good digital citizenship while dealing with Internet privacy and cyber-security challenges. Librarians who attend will emerge with an overview of the problem and how their library can become part of the solution. Micro-grants will be available to public libraries to develop implementation plans for local programming with school colleagues, law enforcement and other collaborative partners.

9:00 – 9:30 Coffee and conversation

9:30 – 12:00 Digital Citizenship, Privacy and Ethics Are Complicated; Libraries Can Help!

First Part: What are the stakes and who are the stakeholders in the digital citizenship discussion? One in three of Internet users worldwide is under the age of 18. Sharing and discussion of *The Heart of Digital Citizenship* (Anne Collier) and *Challenges of Raising a Digital Native* (Devorah Heitner)
Facilitated by Josh Klingbeil and Kris Adams Wendt

Second Part: [Erin Berman](#) (Technology & Innovation Librarian, San Jose Public Library) introducing the [SJPL “Virtual Privacy Lab”](#) model for teaching online privacy. (via videoconferencing)

Noon- 1:00 Lunch (provided on site by WVLS)

1:00 – 3:00 Designing Library Sponsored “Cyber Sneakers” Programs

[Rhineland Police Chief Michael Steffes](#) (Nicolet College Adjunct Faculty Instructor and national instructor for Leadership in Police Organizations for the International Association of Chiefs of Police) will demonstrate successful community presentations on cyber security, as well as provide advice on identifying appropriate audiences and working with community partners.

*WVLS will distribute \$1500 in micro-grants to libraries within WVLS borders represented at the training who submit implementation plans for their communities. Attendees will be asked to identify 2-3 areas on which micro-grants can be spent after submitting an action plan. (Examples: Speaker expenses, PR materials, informational brochures, library materials) **Mini-grant funding requests from WVLS libraries are due by October 15 and must be spent before March 1, 2017.***

CO-SPONSORED BY Wisconsin Valley Library Service (WVLS) and Northern Waters Library Service (NWLS). This program was funded in part through the Department of Public Instruction Division for Libraries and Technology with a Youth and Special Services Continuing Education Project grant from the Institute of Museum and Library Services which administers the Library Services and Technology Act (LSTA).

Special Accommodation: Please contact WVLS in advance and we will assist you. A TWIN PROGRAM, identical format but different afternoon speaker, will be hosted by NWLS in Ashland on September 20. Please contact Sherry Machones smachones@northernwaters.org or Kris Adams Wendt kawendt@wvls.org with questions.
