## Cost Allocation

The 40-hour per week position will be allocated on a percentage basis of 2024 state aid. The cost will be based on yearly salary, actual insurance costs, Wisconsin retirement, and any other benefit related costs. Mileage expenditures and computer software/hardware will be funded by the LEAN WI budget.

Projected 2024 Costs per System (Not to exceed cost/actual cost to be determined at time of hiring)

Wage	Hours Per Year	Yearly	SS/WRF/ Other	Health Insurance Family Estimate*	Projected Total Cost
\$ 22.00	1040	\$ 22,880	\$ 3,661	\$ 20,886	\$ 47,427
\$ 24.00	1040	\$ 24,960	\$ 3,994	\$ -	\$ 28,954
		\$ 47,840	\$ 7,654		\$ 76,380

\* 2024 billing is based on 9 months of insurance. 2025 billing will be based on 12 months of insurance.

IFLS	\$25,969.34
NWLS	\$12,220.86
WVLS	\$19,858.90
WRLS	\$17,567.49

## Duration of the Agreement

IFLS, NWLS, WVLS, WRLS agree to fund this position for 2024 and 2025 under these terms. Future agreements will be determined based on future state aid payments.

## Alteration or Termination

During the agreement, the contracting parties have the right by mutual agreement to terminate this agreement.
